

**Extraordinary Announcement of 4iG Plc.
on implementing a Transformation Program**

4iG Public Limited Company ("4iG") hereby informs the participants of the capital market that the IT segment of the Transformation Programme ("Programme") launched on 13 November 2023 has reached its next significant milestone with the fact that today the supreme corporate bodies of 4iG Informatikai Zártkörűen Működő Részvénytársaság, INNObyte Informatikai Zártkörűen Működő Részvénytársaság and INNOWARE Informatikai és Tanácsadó Kft. have adopted resolutions on the merger into 4iG Informatikai Zártkörűen Működő Részvénytársaság.

The employees of INNObyte Zrt. and INNOWARE Kft. will continue to be employed by 4iG Informatikai Zrt. as of the date of the merger.

The date of the merger has been designated by the supreme corporate bodies as 30 September 2025, and the first day of operation under the new structure will be 1 October 2025.

4iG will continue to keep investors informed about the Programme and its implementation status, in line with its previous practice.

The previous publication on the IT segment of the Programme is available at the following link:
