

**Extraordinary Announcement of 4iG PLC**  
on the results of an open EU public procurement procedure  
and on signing a great value contract

**4iG Public Limited Company** (hereinafter: "4iG", "4iG PLC") hereby informs its Esteemed Investors and the Participants of the Capital and Financial Markets about the announcement of 4iG Plc's bid as the successful bidder in the European Union open tender procedure for "Digital Welfare Dispatching Services", launched by **Social Politics Innovation Non-Profit Limited**.

The objective of this procurement procedure is to create a new type of digital well-being services environment for citizens over 65 years of age, and to provide them with a 24-hour a day, digital technology-based, signalling-based helpdesk service.

The project deadline is 31.12.2025. The service can be extended for one year.

The contents of the pricing of the procedure based on the summary document:

Milestone 1: 1 459 000 000 HUF

Milestone 2: 2 548 000 000 HUF

System access fee (net HUF/user): 14 800 HUF

Service fee (net HUF/user/month): 1 736 HUF

Date of signing: October 26, 2022

Budapest, October 27, 2022

**4iG Nyrt.**

**4iG PLC**
